

REMOTE LEARNING REVIEW SURVEY FOR PARENTS

Possible parent survey questions to review the remote learning program.

Work

- How has your child found the **amount** of work that has been assigned over the past week?
 Not enough Too much Just right Other.....
- How has your child found the **type** of work that has been assigned over the past week? (Eg. too much online, not enough online, good engaging variety)
- How has your child found the **level of difficulty** of the work? (eg. the maths was too easy, the difficulty level has been appropriate etc).
- How much assistance has your child required to complete the work each day?
- Do you have any other comments about the work that was assigned for the past week?

Virtual Meetings (if applicable)

- Do you have any comments/suggestions about the virtual meetings? (Are they too long, not long enough, too early/late in the day, have they been useful for your child? etc.)

Communication

- Do you have any comments/suggestions about the parent communication over the past week? (Eg. has there been too much/too little/ the instructions were helpful, the support ideas were useful etc)

Support

- What extra supports would assist you with helping your child's learning during this time?

Other

- Do you have any other comments/suggestions you would like to add?
